

*It will never happen to me ...
Dallas' first female firefighter teaches how to
get fired-up about health and safety!*

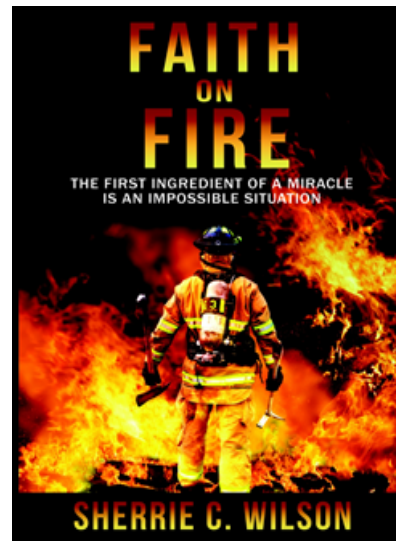

Sherrie C. Wilson

*Author, Speaker, Health and Safety Expert
Firefighter, Paramedic, OSHA instructor*

Story Ideas

- Health is a blessing that money can't buy.
- 8 keys of Team Dynamics that build and keep good team members playing it safe.
- Health Hazards at work and home?
- This machine has no brain - you must use your own.
- Hazardous Materials training for humans.
- Kicking "Workplace Violence & Harassment" in the butt!

*Sherrie serves as Adjunct Faculty for Texas A&M, Texas Engineering Extension Service (TEEX)
Sherrie has authored 5 educational books, Health Hazards, Bloodborne Pathogens for Healthcare Providers, student and instructor manuals, as well as Rescue Team Training.*

Sherrie was the first female firefighter-paramedic in the Dallas Fire Rescue Department.
